

**SIGNIFICANT HILL AIR FORCE BASE
SEXUAL ASSAULT CONVICTIONS
2010 – 30 September 2013**

Note: This report lists cases involving a conviction for a sexual assault offense committed against an adult. Under the UCMJ, sexual assaults against those 16 years of age and older are charged as crimes against adults. The appropriate disposition of sexual assault allegations and investigations may not always include referral to trial by court-martial. Rather, less serious cases may be more appropriately handled through adverse administrative accountability actions. Each military justice case must be resolved on its own facts. There are no expected or required dispositions, outcomes, or sentences in any military justice case, other than those resulting from the individual facts and merits of a case and the application of due process of law. Adjudged sentences reported here do not reflect any relief on the sentence that may have been granted during clemency, pursuant to a pretrial agreement in exchange for a guilty plea, or on appeal. This report does not include those Air Force members acquitted of sexual assault offenses at trial.
