

ABOUT THE STATEMENT

The Hill AFB Economic Impact Statement provides information about the economic impact of Hill Air Force Base on the surrounding community. It is made available to federal, state and local officials and the general public.

An installation's economic impact on the local community is calculated by identifiable off-base local area spending from gross expenditures. All financial figures are rounded to the nearest dollar.

The Hill Economic Impact Analysis is prepared by the Cost and Economics Division, Hill AFB. Any questions, please contact 75th Air Base Wing Public Affairs at (801) 777-5201.
