Restoration Advisory Board

Information

General Information

The Restoration Advisory Board, or RAB, is a committee of community members, environmental regulators, local government representatives, base representatives and other interested parties. Its purpose is to advise Hill AFB on community concerns regarding environmental investigation and cleanup activities conducted under the Air Force's Environmental Restoration Program. The RAB was formed to encourage more community participation in the cleanup process and to allow community members and other stakeholders to have meaningful dialog with Hill AFB environmental officials.

The RAB is co-chaired by a member of the community (chosen by the RAB's community members) and by a representative from Hill AFB. The RAB has developed its own mission statement and operating procedures and consults with the Air Force in developing agendas and setting meeting dates, times and locations. Hill AFB provides administrative support for the RAB and pays for all necessary RAB meeting expenses.

Member Responsibilities

RAB members serve voluntarily, without compensation, for a term set by the RAB. Members are expected to attend all meetings (usually held quarterly) or send an alternate in their place. RAB members will have the opportunity to review cleanup plans, budgets and program priorities, and comment on technical documents and reports. Members will act as a liaison between the community and the Air Force, and as such, should make themselves available to community members and to exchange information and/or concerns. Prospective RAB members should be prepared to devote at least four hours per month to their RAB responsibilities, if selected.

Selection

All applications will be forwarded to the RAB for review and consideration. The RAB will select the new member and an alternate selection (to be selected if the primary selection declines) at the **Jan. 28, 2016 RAB meeting**. The meeting will be held from 6:30 to 9 p.m. in the Sunset City Office Building, 200 West 1300 North in Sunset. **Applicants are highly encouraged to attend the Jan. 28 RAB meeting to introduce themselves to the RAB prior to the ballot vote.** Once selected, the new member will be notified by a Hill AFB representative.

Application Instructions

Please fill out the application completely. In the space allocated, please briefly state why you would like to be a member of the RAB and why you think you would be qualified to serve on the board. If you would like to attach a separate sheet, you may do so.

To return by mail, please attach any additional sheets and mail to:
